Made contact Frederick Miller (w/m [REDACTED]) in reference to identity theft. Miller advised he attempted to open a credit account at Home Depot and was surprised Home Depot gave him a low credit limit. Miller has always had perfect credit. Miller then checked his credit report and he noticed that an unknown person opened a Navy Federal Credit Union credit card in July of 2021.

When Miller had checked his credit report he noticed that \$4545.00 had been charged to the account. The account was past due and Miller's credit rating was being negatively affected by the late payments. Miller contacted Navy Federal Credit Union and the credit bureaus to dispute the fraudulent credit cards and transactions. Navy Federal Credit Union stated the suspect used the address of 601 Deer Road, Cherry Hill Road 4546.00. The account was officially closed on December 14th 2022.

Miller advised he contacted the Cherry Hill Police Department, they stated he need to make an initial report in the jurisdiction where he lives. A copy of this report was provided to Miller for his records. An Identity Theft Packet was provided to Miller for his records.

If should be noted that Miller did not give anyone permission to use his personal information, especially his social security number to use for any financial products and purposes. I advised him that if any other fraudulent credit accounts appear on his credit report, he should use this report to have the fraudulent credit accounts removed.
